Deputy Assistant Director for Operations

Re-evaluation of Employee Suggestion Number 121

- REFS. : a. Memorandum dated 14 April 1953 from Secretary, Efficiency Awards Committee to AD/O, same subject
- b. Letter dated 13 March 1953 from the initiator of subject suggestion to Chairman, Efficiency Awards Committee

1. In compliance with Reference a. this Office has reconsidered subject suggestion and believes that the additional information provided by its initiator in Reference b. does not alter the basis on which Acting Chief, FDD, in his evaluation on 5 November 1952 found the suggestion to be impractical.

2. With reference to the mentioned translation backlog and its suggested reduction by the use of prisoner translators, since November 1952, the increase in both volume and quality of contract translation is further reason that a search for prisoners of sufficient grammatical ability is considered impractical.
